**November Maintenance Notes:**

Now that the weather is turning colder many residents will be making changes to the thermostat. If changing to heat, the thermostat will still read “Auto” and “Heat”. If you have any questions or concerns, please contact the maintenance shop 651-8562.

**WE LOVE OUR VOLUNTEERS**

Each month we receive several Honey Do requests from our residents. We request that all residents submit a Honey-do order ahead of time. Requests are completed in the date order received and if not completed, will be carried over to the next volunteer visit.

**Our next Honey Do Volunteer Day will be Saturday, November 18, 2017 8AM-12PM.** Please refer to the in house TV channel for the adopt-a-wing schedule.

Safety Tip for November. Most of us when we were young read Aesop’s Fables. Most of us remember the one about the boy who cried wolf. The Shepard boy repeatedly tricked the people in nearby villages into thinking a wolf was attacking his sheep. When the wolf actually came, the villagers think it is another false alarm and do not come to his aid. The wolf then eats the sheep and the boy. I realize in Village 5 we have had a lot of false fire alarms. In the beginning we saw all the residents come out in their robes. Recently we had another false alarm at Village 5 and no one evacuated. Some of the residents came out on the balconies to check for smoke and some called upset that their smoke alarms were going off.

**Please take time to remember that a fire alarm is not always false. We don’t want our residents to wind up like the sheep in the fable!**

Transportation November notes:

Starting November 1, we are changing the Tuesday commissary run to the Hurlburt location. There will be a sign up sheet. Ten seats, on the bus, will be allocated to BHV. Two seats will be allocated to HH. There will be an alternate list. In the event that we do not have 12 riders, we will call the alternates. The space is limited to allow room for passengers and groceries. No second shuttle run will be provided.
