Safety Tips

Spring is on the way and with it the bears will return. We are obligated to do everything within our powers to discourage animals from eating from our dumpsters hence the metal doors and clips. The guards are constantly putting the clips back in place. Please help us make our dumpster an unwelcome zone for the bears.

Maintenance Notes

Fire Alarm Testing

Feb 19 & 20 the fire inspector and Shawn will be doing the annual fire inspection on campus in Villages 1-4. They will need to gain access to each apartment.

A note from Maintenance...

Many residents have expressed concern about the increase to their Gulf Power bill. Northwest Florida has had some cold stretches this winter. The split systems at BHV are with a heat pump; effective down to temperatures around 30 degrees. At that point, an air handler with supplemental electric heat will be needed to help heat your home.; increasing your electric bill.

On the issue of automatic door openers for the lounges: parts are expected January 23, then the installer will contact for an installation date.

Honey-Do & Adopt-A-Wing

Requests are completed in the date/order received and if not completed, will be carried over to the next volunteer visit. Contact maintenance @ 651-8562 to submit a request or submit the request in the boxes at the laundry rooms.

Our next Honey Do Day is Saturday, February 17, 2018 8-12PM
