Maintenance Notes & Updates

Warmer weather is finally breaking through. Residents will most likely see an uptick in animals (snakes) and insects (silverfish and roaches) activity. If this is the case, please contact maintenance to get rid of a snake or so we can call pest control to come out to spray your unit to prevent spreading. In addition, please refrain from feeding squirrels. That only encourages them to keep coming back.

Another way to keep your electric bill down for the summer, is to make sure the ceiling fans are spinning counter-clockwise. The breeze created by it blowing down in the summer cools the body by speeding the evaporation of perspiration.

If you have any questions or concerns, please don't hesitate to contact AFEV Maintenance at 651-8562.

Adopt-A-Wing & Honey-Do Schedules

Adopt-A-Wing: Volunteers are Wing/Village specific to those who have them (103, 104, 202, V3, 401, and 404 currently).

Honey-Do Volunteers: Are for those Wings and Villages who have no dedicated/adopted volunteers to date. At times, we may ask the Honey-Do volunteers to take on an Adopt-A-Wing if those volunteers do not make it out for a particular month, but this is a rare occurrence and on a case-by-case basis.

Please contact Lisa at 651-8562 if you have any questions concerning the Adopt-A-Wing or Honey-Do Volunteer Programs.

Please help me welcome our new residents to AFEV's Bob Hope Village, and also say farewell and best wishes to our friends moving on to new adventures.
